Appraisal Value

The collection has an appraisal value of \$11,600,000 (USD). The value is consistent with Fair Market Value as it pertains to certain items accessible in the Marketplace. Many items have no comparable value as they are "One of a Kind" never seen in the Marketplace. All items inspected are believed to be authentic, genuine, and original. Appraisers' qualifications are available upon request. No item in the collection is owned, sold by, or represented by the appraisers and has no claim to any item listed.
